

Changeover operating mechanism for contactors 3RT105, 3RT145  
AC (50...60 Hz) / DC operation, 110 ... 127 V Operating mechanism:  
Standard,economy circuit Screw terminal

| General technical data                        |             |
|-----------------------------------------------|-------------|
| Product brand name                            | SIRIUS      |
| Product designation                           | Magnet coil |
| Control circuit                               |             |
| Type of voltage of the control supply voltage | AC/DC       |
| Control supply voltage                        |             |
| • 2 at AC                                     |             |
| — at 50 Hz rated value                        |             |
| — at 60 Hz rated value                        | 127 V       |
| Control supply voltage                        | 127 V       |
| • 2 at DC rated value                         | 127 V       |
| Certificates/ approvals                       |             |

|                          |     |                                       |                           |
|--------------------------|-----|---------------------------------------|---------------------------|
| General Product Approval | EMC | Functional Safety/Safety of Machinery | Declaration of Conformity |
|--------------------------|-----|---------------------------------------|---------------------------|
