

Your Capex has been cut....

**But you still need to do projects that will
save you money.**

**Then, finance your energy project through your
electricity savings, with Magnet Capital.**

Who is Magnet Capital?

Magnet Capital is the financing platform resulting from a partnership between Magnet and Genuity Growth Partners. By teaming up with Genuity, we are able to provide customers with sound and reliable financing solutions to fund energy-saving products and projects.

At Magnet, we specialise in Electrical, Lighting, Water and Solar supplies and solutions. With over 48 years of experience in the industry, we are the perfect partners to support you with your energy-saving projects.

Why should you finance your Project?

- Reduce Capital expenditure and finance the project with OpEx Budget
- VAT on the project is treated as Input VAT, and lease payment is tax deductible
- A Fixed interest rate can be negotiated on request for deals R500k and over

For reliable and hassle-free financing, choose Magnet Capital as your financing partner

- **NIL security required:** no cessions/covering bonds etc.
- **Off balance sheet funding:** your credit facilities won't be tied up
- **No hidden fees:** initiation, raising, administration, service and collection fees are all included!
- **Flexible lease structure:** you can part-settle, upgrade, or re-structure the capital at any point
- **Assets financed through an Operating Lease:** option to purchase at the end of the initial period (provided there are no arrears)

**Finance your energy project
through your electricity savings
with Magnet Capital today!**
